ATTN: Hurricane Helene Flood Victim Donations

To our partner in bettering the lives of others,

I hope this letter finds you in good health and high spirits. I am writing to you on behalf of **Dayton Glade Run Presbyterian Church**, a non-profit organization working towards lightening the burdens carried by the recent hurricane victims. As we continue our efforts to make a positive impact in our community, as well as others, we rely on the generosity of compassionate individuals and businesses like yours to support our initiatives. Your tax-deductible contributions play a crucial role in our ability to help people face adversity knowing they are being supported with their most basic needs. Today, I am reaching out to humbly request your support. We are currently seeking donations for **water, food, clothing, diapers, and most crucially, generators & washing machines (new or used but operational)**. Your generous donations, no matter the size, will directly contribute to the victims of Hurricane Helene in Eastern Tennessee & Western North Carolina.

We sincerely appreciate any amount you can contribute. Your support will not only help us achieve our goals but also make a meaningful difference in the lives of those we serve. Enclosed is a donation form with an expanded list of items to contribute. Additionally, please feel free to contact Pastor Sheila 724-525--7470 who is personally going down to the disaster areas or Sara Crytzer 814-952-2472. They can arrange a pick-up at your business from October 21st-25th. Thank you for considering our request. Your support means the world to us and those we serve. Monetary donations can be made payable to Dayton Glade Run Presbyterian Church.

On **October 28, 2024**, Dayton Glade Run Church Members will be leaving with all supplies that have been donated and will drive them directly to Tennessee to help the victims of Hurricane Helene.

Together We Serve.....Sara Crytzer
